1 Crib sheet ⁵		✓		
Empty, leak-proof water bottle				✓
After School snack				✓

Examples

Canvas Bag

Indoor Shoe

Notes:

- Extra clothes** - Please bring the following extras: shirt, pants, underwear and socks. *When soiled clothes come home, please send in replacements the next day.*
- Indoor shoes** - These should be rubber-soled, closely-fitted shoes commonly referred to as water shoes. Your child will wear socks with their indoor shoes; they should fit comfortably, and your child should be able to put them on/take them off independently. Found at Target or Amazon.
- Canvas bag** - These bags are for the children to bring their work home each week; commonly found at Michael's or Target. Please return each Monday.
- Lunchbox** - This should be easily opened by your child. Please use separate, easy-to-open containers (as opposed to a Bento-style box) for separate lunch items because your child will be transferring their food to a plate. Please provide utensils when needed. Label the lunchbox on the outside with your child's name.
- Crib sheet** - If your child is a restorer and uses a crib sheet to rest at school after lunch, the sheet will be sent home each Friday in your child's work bag. Sheets should be returned each Monday.

School Supply List

Elementary

Please ensure all items are labeled with your child's name.

Lightweight, foldable canvas bag; needs to hold 8½ x 11" paper ³	✓	
Rain boots & raincoat	✓	
Library card & pin number	✓	
After School snack		✓

- Indoor shoes** - These should be rubber-soled shoes that fit comfortably and cover the whole foot.
- Lunchbox** - If needed, please add a cold pack to the lunchbox to keep items cool.
- Canvas bag** - The elementary children will take their work bags home after their individual meeting with their teacher. Days and times will vary according to the needs of each child. Work will only be sent home in the work bag, so the best practice will be to examine its contents and return the empty bag to school as quickly as possible.
